

1000kW Durable Perkins Diesel Generator Set Water Cooling Diesel Standby Generator

Our Product Introduction

For more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong

Product Specification

- Warranty: 1 Year
- Speed: 1500rpm
- Dimensions: 2500mm X 1500mm X 2000mm
- Power Output: 1000kW
- Frequency: 50Hz
- Engine Brand: Perkins
- Cooling System: Water Cooled
- Fuel Type: Diesel
- Highlight: **Durable Perkins Diesel Generator,
1000kW Perkins Diesel Generator,
Water Cooling Diesel Standby Generator**

Product Description

Product Description:

Perkins Diesel Generator is a durable and reliable Diesel Generator Set with an electric starting system that is designed to provide 400V of power. The Automatic Control System makes it easy to operate the generator set and the 1-year Warranty ensures its long-term reliability. This generator set is robust and lightweight with a weight of 3000kg. It is a perfect choice for both residential and commercial applications. Perkins Diesel Generator Set is highly recommended for its durability and versatility.

Features:

Product Name: **Perkins Diesel Generator**

Dimensions: **2500mm X 1500mm X 2000mm**

Cooling System: **Water Cooled**

Fuel Type: **Diesel**

Power Output: **1000kW**

Engine Brand: **Perkins**

Heavy Duty Diesel Generator

Technical Parameters:

Attribute	Value
Fuel Type	Diesel
Noise Level	75dBA
Engine Brand	Perkins
Weight	3000kg
Control System	Automatic
Starting System	Electric
Power Output	1000kW
Warranty	1 Year
Voltage	400V
Speed	1500rpm
Product Name	Advanced Diesel Electric Generator
Product Description	High Output Diesel Generator, Heavy Duty Diesel Generator

Applications:

The advanced Minlong diesel electric generator is a highly efficient and reliable source of power for industrial, commercial and other applications. With a fuel type of diesel, a power output of 1000kW, a speed of 1500rpm and a noise level of 75dBA, it is the ideal choice for any environment. It comes with a water cooled cooling system and is designed to provide maximum performance and reliability. This robust and durable diesel electric generator is the perfect choice for businesses looking for an efficient and reliable power supply. Its advanced features provide superior power output and fuel efficiency, making it an ideal choice for any application. It is an ideal choice for those needing a high output diesel generator for industrial, commercial or other applications. Additionally, its advanced diesel electric generator systems allow for a more efficient and reliable power supply.

Customization:

Perkins Diesel Generator is a high output and durable diesel generator set from Minlong, made in China. It has a fuel tank capacity of 1000L, a speed of 1500rpm, a water cooled cooling system, a weight of 3000kg, and a power output of 1000kW.

Support and Services:

Perkins Diesel Generator provides technical support and service for our customers. Our technical support team is available 24/7 to provide assistance with any technical issues you may have. We also offer a wide range of services such as maintenance and repair, installation, troubleshooting, and more to ensure that your generator runs smoothly and efficiently.

Packing and Shipping:

Packaging and Shipping

Perkins Diesel Generator is packaged in a cardboard box and shipped in an ISO-standard container. It is securely packed to ensure no damage during transportation.

FAQ:

Q: What is the brand name of the Perkins diesel generator?

A: The brand name of the Perkins diesel generator is Minlong.

Q: Where is the Perkins diesel generator manufactured?

A: The Perkins diesel generator is manufactured in China.

Q: What types of Perkins diesel generator are available?

A: Perkins diesel generators are available in a variety of models and sizes.

Q: What are the benefits of using a Perkins diesel generator?

A: Perkins diesel generators are reliable, efficient, and cost-effective solutions for power generation.

Q: Are Perkins diesel generators easy to maintain?

A: Yes, Perkins diesel generators are designed to be easy to maintain and service.
