

Air Water Cooling Power SDEC Diesel Generator 10-1000KW

Our Product Introduction

For more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Warranty: 1 Year
- Type: Diesel Generator
- Frequency: 50/60Hz
- Cooling System: Air/Water
- Fuel: Diesel
- Speed: 1500/1800rpm
- Protection System: Overload/High Temperature/Low Oil Pressure
- Control System: Automatic/Manual
- Highlight: **Air Cooling SDEC Diesel Generator,
Water Cooling SDEC Diesel Generator**

Product Description

Product Description:

SDEC Diesel Generator offers a high-performance solution for reliable power generation. It is a diesel generating equipment with a power range from 10 to 1000 kW, a speed of 1500/1800rpm, a frequency of 50/60 Hz, and a cooling system of air/water. It is ideal for a wide range of applications and is designed for maximum energy efficiency. The SDEC Diesel Power Generator is highly reliable and is engineered to provide consistent power output and superior performance in extreme conditions. It is equipped with advanced technology that ensures maximum reliability, fuel efficiency, and low emissions. Its superior design and advanced features make it the ideal choice for applications that require reliable and durable power generation.

Features:

Product Name: SDEC Diesel Generator

Frequency: 50/60Hz

Speed: 1500/1800rpm

Control System: Automatic/Manual

Power: 10-1000KW

Starting System: Electric/Manual

SDEC Diesel Generating Unit

SDEC Diesel Generating Unit

Technical Parameters:

Attributes	Specification
Cooling System	Air/Water
Power	10-1000KW
Frequency	50/60Hz
Speed	1500/1800rpm
Fuel	Diesel
Control System	Automatic/Manual
Warranty	1 Year
Type	Diesel Generator
Protection System	Overload/High Temperature/Low Oil Pressure
Starting System	Electric/Manual

Applications:

SDEC Diesel Generator is a reliable power generating equipment from China, which has been certified with ISO9001. It is an ideal choice for industrial and commercial use with its automatic/manual control system and air/water cooling system. The generator has a minimum order quantity of 1 piece, and a warranty of 1 year. It is available in 50/60Hz frequency, and the price is negotiable. Its packaging details include wood case, and the delivery time is 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram. The supply ability of the generator is up to 1000 pieces per week. SDEC Diesel Generator is the perfect diesel generating solution for any industrial or commercial use.

SDEC Diesel Generator is an essential for industries looking for a reliable and efficient power source. Its maximum power output ensures that it can provide enough electricity to meet the needs of any large-scale operation, and its automatic/manual control system and air/water cooling system make it easy to use and maintain. The generator is also designed to be durable and reliable, with its 1-year warranty and minimum order quantity of 1 piece. The generator is also available at a competitive price, and its delivery time is 10-15 days.

The SDEC Diesel Generator is the perfect choice for any industrial or commercial use. Its reliable power output, long-lasting durability, and competitive price make it an ideal solution for any business. With its 1-year warranty, minimum order quantity of 1 piece, and 10-15 days delivery time, the SDEC Diesel Generator is the perfect diesel generator for any operation.

Customization:

SDEC Diesel Generator

SDEC Diesel Generating Unit, SDEC Diesel Power Generator, SDEC Diesel Engine Generator is a reliable and cost-effective power solution for your electricity needs. It is designed with the most advanced technologies to ensure a reliable and efficient power supply with low noise and emission.

Features:

Brand Name: Sdec

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 1000 pieces per week

Frequency: 50/60Hz

Speed: 1500/1800rpm

Noise: Low

Starting System: Electric/Manual

Type: Diesel Generator

Support and Services:

SDEC Diesel Generator Technical Support and Service

We provide technical support and services for our SDEC Diesel Generator products. Our team of experienced engineers and technicians are available to provide technical advice and assistance to ensure that our customers have the help they need. We offer a variety of services and support, including:

24/7 Emergency Technical Support

Installation & Commissioning Assistance

Preventative Maintenance Programs

Equipment Troubleshooting & Diagnostics

Regular Maintenance & Service

Spare Parts Supply

We are committed to providing our customers with the highest level of technical support and service. If you have any questions or require any assistance, please do not hesitate to contact us.

Packing and Shipping:

SDEC Diesel Generator will be packaged in a carton with the dimensions of 1000mm*800mm*600mm and is shipped with the following methods:

By air: It can be delivered to most global destinations in a very short time.

By sea: It can be shipped to most destinations around the world with cost-effectiveness.

By land: It can be shipped to locations within the same country or region.

FAQ:

Q1: What is the brand name of the SDEC Diesel Generator?

A1: The brand name of the SDEC Diesel Generator is Sdec.

Q2: Where is the SDEC Diesel Generator produced?

A2: The SDEC Diesel Generator is produced in China.

Q3: Does the SDEC Diesel Generator have a certification?

A3: Yes, the SDEC Diesel Generator has an ISO9001 certification.

Q4: What is the minimum order quantity for the SDEC Diesel Generator?

A4: The minimum order quantity for the SDEC Diesel Generator is 1.

Q5: What are the payment terms for the SDEC Diesel Generator?

A5: The payment terms for the SDEC Diesel Generator are L/C, D/A, D/P, T/T, Western Union, and MoneyGram.
