

K38n-G7 50Hz 1500rpm Natural Gas Power Generator Cummins Engine 700kw

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Cummins
- Certification: ISO9001, ISO14001, CE
- Model Number: K38n-G7
- Minimum Order Quantity: 1 Set
- Price: 149,578 USD
- Packaging Details: Please consult customer service.
- Delivery Time: About 30-50 days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 100 Set/Month

Product Specification

- MN: ≥ 75
- Control System: Automatic
- Fuel Type: Natural Gas/Biogas
- Cooling System: 2 Pump 2 Loop
- Cooling System: Air/Water Cooled
- Warranty: 1 Year
- Power Output: 300kW-1000kW
- Dimension: Varies
- Highlight: 50Hz Natural Gas Power Generator,
700kw Natural Gas Power Generator,
Cummins Engine 700kw Natural Gas Generator

Product Description

K38n-G7 50Hz 1500rpm Natural Gas Power Generator Cummins Gas Engine 700kw

Product Description:

Cummins 500kw Generator is a reliable and efficient natural gas generator that provides superior performance with its air/water cooled cooling system, automatic control system, and high thermal efficiency of about 45%. It is designed for a variety of uses with its varying dimensions. This generator meets the highest environmental standards with its ultra-low NOx emission of only 500mg. Cummins 300kw Gas Generator is the perfect choice for any application due to its excellent performance and dependability.

Technical Parameters:

Parameter	Details
Fuel Type	Natural Gas/Biogas
Dimension	Varies
Nox emission	500mg NOx
Cooling system	2 Pump 2 Loop
Control System	Automatic
Warranty	1 Year
Power Output	300kW-1000kW
LHV	$\geq 15\text{MJ/m}^3(400\text{BTU/ft}^3)$
Thermal efficiency	About 45%
Cooling System	Air/Water Cooled

Company Profile:

Guangdong Minlong Mechanical and Electrical Equipment Co., Ltd. was established in 1995. Its headquarters is located in Foshan, Guangdong, the world power generating unit manufacturing base in the Pearl River Delta, which is the most developed in China. There are many branches and agencies in China.

Packing and Shipping:

Packaging and Shipping for Natural Gas Generator:

The generator is securely packaged with bubble wrap and foam inserts.

The package is sealed with a heavy-duty tape.

The generator is shipped in a double-walled cardboard box.

The box is marked with a warning to handle with care.

The box is securely sealed with plastic wrap and heavy-duty tape.

FAQ:

Q: What is the brand name of this Natural Gas Generator?

A: The brand name of this Natural Gas Generator is Cummins.

Q: Where is this Natural Gas Generator made?

A: This Natural Gas Generator is made in China.

Q: What certifications does this Natural Gas Generator have?

A: This Natural Gas Generator has ISO9001, ISO14001, and CE certifications.

Q: What is the minimum order quantity of this Natural Gas Generator?

A: The minimum order quantity of this Natural Gas Generator is 1 Set.

Q: What is the delivery time for this Natural Gas Generator?

A: The delivery time for this Natural Gas Generator is about 30-50 days.
